## SUNDAY 5 NOVEMBER - 4.00PM BALFOUR DECLARATION CENTENARY TALK

The Balfour Declaration was the result of a confluence of remarkable trends and events. These came together for a brief period to create the conditions for this unique Declaration. Some of the causes were long in the making; other conditions appeared just before the declaration and disappeared soon afterwards.

Jeremy Mindell will show how the impact of Jewish, British and other influences played out to create the birth certificate for the Jewish return to Zion.
