Are you looking to make a valuable contribution to the Jewish Community?

Are you seeking an opportunity to bring your expertise to a vibrant organisation that seeks continually to improve what it is good at?

We are one of the few care homes for the elderly in the country which is rated as **Outstanding** by the care regulator, the Care Quality Commission.

Nightingale House in South London has nearly 200 residents and Hammerson House in North London, which is currently being rebuilt to a state-of-the-art home, will cater for over 100 when it opens in 2020.

We are seeking members to join our committees and advisory boards to help us in the next stage of our development, including in the fields of care for the elderly, fundraising, digital and general marketing, knowledge of industrial laundry, Human Resources, and Learning & Development.
